

Stratom's skilled specialists bring integrated solutions and products to government, commercial, and global clients. We are a Service-Disabled Veteran-Owned business, founded by a former Marine Corps Officer. Our client service model has been developed to assist our customers by sharing our broad base of industry knowledge, while providing the focus and management to execute our clients' objectives. We thrive on the execution of co-developed strategic objectives firmly built upon the cornerstone of solid professional expertise, services, and customer satisfaction.

Our core team consists of individuals with deep knowledge and experience that spans the spectrum of business, engineering and operational capabilities. We have provided extensive services for Fortune 500 companies to startups.
